

## **Fee Structure and Payments**

St Cecily's Eng Pry is a self-financing school with no grants from the State or Central Governments. The fee structure is to meet the developmental and recurring expenditure, the major one being salaries of the staff. Salaries, developmental activities and the mounting maintenance costs require substantial sums of money. Obviously raise in fee on a yearly basis to match the current salaries and other costs is inevitable.

## **Capital Expenditure Fee**

Parents need to pay this fees at the time of first admission towards the capital expenditure of the school, as permitted by the State Government to unaided private schools (vide Govt. order No: ED 39 VIVIVDA 99, Bangalore dated 14.3. 2000). This amount is payable through Challan in favour of "St Cecily's Society, Brahmagiri". This amount is not refundable, once admission is made.

## **Tuition Fees**

This can be paid in full at the time of admission or in four installments – April / May and September. The school fees will be paid at "Canara Bank, Brahmagiri Branch, Udupi". Separate receipt will not be issued by the school for remittance made at the bank, the 'triplicate' of the slip with the Bank seal will be the receipt for the parents. Parents are requested to retain these for any future reference. Parents should be able to produce the 'triplicate' as evidence for having paid the fees in case of any discrepancy or loss or misplacement of the duplicate. Failure to produce the same would be construed as non-payment of fees. The school fees will not be collected in the School Office. Late payments are strongly discouraged as it causes a lot of problems.
